NRI AUSTRALIA LIMITED (PREVIOUSLY ASG GROUP)

Brief History / Size of your Organisation

NRI Australia (previously ASG Group) has been providing IT Services since 1996 (25 years). Founded in Western Australia, our capacity and capabilities covers the full breadth of IT Services.

- 2000+ staff nationally
 - 112 NV1 / NV2 cleared nationally (17 in SA)
 - 21 NV1 clearance requests in progress in SA
- >\$500M revenue
- 300+ enterprise clients
- 7 locations in Australia, 1 in Asia

Resources Available?

NRI have some 80+ permanent consulting and solutions staff members in South Australia covering the full-stack of ICT services roles, deployed across a variety of customers. Almost 50% of our consulting team are either Defence cleared or have clearance in progress.

A further 75+ managed services staff focussed on infrastructure and application management also reside in SA, working with our PROTECTED level accredited National Operations Centre (NOC).

Indigenous Opportunities

NRI has long had a preference for engaging indigenous individuals or organisations where possible & is committed to provide opportunities for Indigenous enterprises to provide services, and for direct employment. Highlights include:

- NRI actively maintains a Reconciliation Action Plan (RAP)
- Indigenous Traineeship Program (5+ cadets p.a.)
- Associated cultural awareness training – Wirrpanda Foundation
- GO Foundation support – school scholarships, promoting post-Yr12 education, workplace inclusivity
- Aboriginal Employment Industry Program, ICT Cluster support
